Slim fit:

Has a close-to-body fit with fair range-of-motion. Jacket is shaped at the waist with moderate body contouring. Can be worn over base layers or light mid-layers.

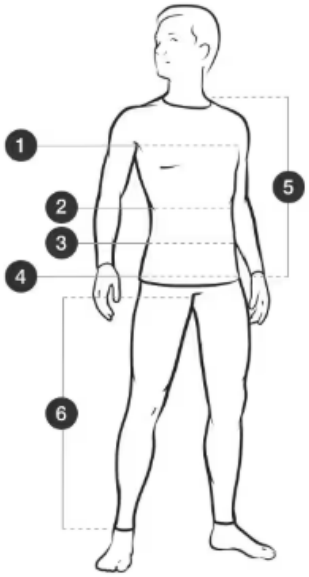

Standard fit:

Fits true-to-size for easy, comfortable movement. Can either have slight body shaping or a straight fit without the shaping. Can be worn over mid-layers.

Relaxed fit:

Has a loose-to-oversize fit, with no shaping, and hangs away from the body. The shoulder may drop below the natural shoulder. Can be worn over heavy mid-layers.

1 **Chest:**

Measure around the widest part of your chest, roughly 2cm underneath your armpits. Tip: don't pull the tape too tight.

2 **Waist:**

Measure around the narrowest part of your torso.

3 **Waist - Jeans:**

Measure your circumference at a point about two inches below the belly button.

4 **Hip:**

Measure just above the widest part of your hips, over your bottom. Tip: stand with your legs close together but not touching.

5 **Sleeve:**

With your arm slightly bent, measure from the base of your neck down to your elbow then to your wrist bone. Tip: a friend will come in handy when taking this measurement.

6 **Inseam:**

Measure a similar pant that fits you well. Measure along the inseam, from the crotch seam to the bottom of the hem.
